“ . . . . All-harmonious\* . . . .”

The Bible

Hymns: 49, 207, 65

Give ear to my prayer, O God; My heart is sore pained within me. Oh that I had wings like a dove! I would hasten my escape from the windy storm and tempest. For then would I fly away, and be at rest. Psalms 55:

The Lord will be a refuge for the oppressed, a refuge in times of trouble. And they that know thy name will put their trust in thee. Psalms 9

Because thou hast made the Lord thy habitation, he shall give his angels charge over thee, to keep thee in all thy ways. Psalms 91

Behold, the heaven and the heaven of heavens is the Lord's thy God, the earth also, with all that therein is. Deuteronomy 10: 14

And straightway he constrained his disciples to get into the ship, and to go to the other side while he sent away the people.

When he had sent them away, he departed into a mountain to pray. And when even was come, the ship was in the midst of the sea, and he alone on the land. And he saw them toiling in rowing; for the wind was contrary unto them: and about the fourth watch of the night he cometh unto them, walking upon the sea, and would have passed by them.

But when they saw him walking upon the sea, they supposed it had been a spirit, and cried out: For they all saw him, and were troubled . And immediately he talked with them, and saith unto them, Be of good cheer: it is I; be not afraid.

And he went up unto them into the ship; and the wind ceased: and they were sore amazed in themselves beyond measure, and wondered. Mark 6: 46-51

## **Science and Health with Key to the Scriptures by Mary Baker Eddy**

Stand porter at the door of thought. 392: 24

There is no vapid fury of mortal mind --- expressed in earthquake, wind, wave, lightning, fire, bestial ferocity--- and this so-called mind is self-destroyed. 293: 21-23

To grasp the reality and order of being in its Science, you must begin by reckoning God, as the divine Principle of all that really is. All substance, intelligence, wisdom, being, immortality, cause and effect belong to God. 275: 10

Christian Science brings to light Truth and its supremacy, universal harmony, the entireness of God, good, and the nothingness of evil. 293: 28

God is infinite, therefore ever present, and there is no other power nor presence. 471: 18-19

Divine Science explains the abstract statement that there is one Mind by the following self-evident proposition: If God, or good, is real, then evil, the unlikeness of God, is unreal. And evil can only seem to be real by giving reality to the unreal. 470: 11-14

Divine metaphysics, as revealed to spiritual understanding, shows clearly that all is Mind, and that Mind is God, omnipotence, omnipresence, omniscience,--that is, all power, all presence, all Science. Hence all is in reality the manifestation of Mind. 275: 20

The universe, like man, is to be interpreted by Science from its divine Principle, God, and then it can be understood; but when explained on the basis of physical sense and represented as subject to growth, maturity, and decay, the universe like, man, is, and must continue to be, an enigma. 124: 14

Adhesion, cohesion, and attraction are properties of Mind. They belong to divine Principle, and support the equipoise of that thought-force, which launched the earth in its orbit and said to the proud wave, "Thus far and no farther." 124: 20

The real jurisdiction of the world is in Mind, controlling every effect and recognizing all causation as vested in divine Mind. Page 379: 7

Let neither fear nor doubt overshadow your clear sense and calm trust, that the recognition of life harmonious—as Life eternally is—can destroy any painful sense of, or belief in, that which Life is not. Let Christian Science, instead of corporeal sense, support your understanding of being, and this understanding will supplant error with Truth, replace mortality with immortality, and silence discord with harmony. Page 495: 16

Science shows appearances often to be erroneous, and corrects these errors by the simple rule that the greater controls the lesser. Page 121: 22-24

Undisturbed amid the jarring testimony of the material senses. Science, still enthroned, is unfolding to mortals the immutable, harmonious, divine Principle,—is unfolding Life and the universe, ever present and eternal. Page 306: 25
